Overview Blueberry Hawaii Technology Solutions LLC (BHT Solutions) is a woman-owned and National Minority Supplier Development Council (NMSDC) MBE certified company. Our core competency is cybersecurity services (e.g. Microsoft Azure & M365) and technology platform integrations. BHT Solutions has exceptional past performance as both prime and subcontractor in providing a variety of I.T. services to government agencies and Fortune 1000 companies. We are able to stand apart from our competition because we offer a unique combination of deep subject matter expertise with cost-effective pricing. We continue to pursue information technology contracts independently and as a team with other highly talented vendors.
